

Providing your PSCAD Licensing Dialog Box (X4)

Your licensing dialog box for PSCAD X4 (v4.3 and later) may be provided as follows:

- Launch PSCAD, and ensure that it is licensed. The title bar will indicate if it is licensed:

- Open the “About PSCAD” dialog box as shown:

- When the licensing dialog box displays, take a screenshot (press the <Alt> and <Print Screen> buttons simultaneously), and send the screenshot to us at support@pscad.com.
